

## ENFIELD ATHLETIC HALL OF FAME

October 17, 2016

Present: Mike Cotnoir, Mary Keller (Liaison), Joe Andrychowski, Bob Bromage, Tim Jensen, Gary DiBattista, Lisa Carrara, Marian Dippel, Kris Couture

Mike opened the October meeting held at Astro's Restaurant by thanking those present for making 2016 another good year for us. He told us the Field Hockey account balance is \$3,449.38 and the Hall of Fame account balance is \$1,192.23.

Banquet - Mike asked if anyone had any feedback from last month's induction banquet. Nothing negative, it was quite successful. Lisa added that the softball team was thrilled. Mike then complimented Lisa on a job well done in handling the banquet.

Biography - Some suggestions were made concerning potential Hall of Fame nominees. Suggestions included asking previous Hall of Famers for their input and giving the full committee the names of our potential nominees looking for their input. That input would be given to the nomination committee. The whole committee will discuss at our January meeting.

Golf - The tournament is scheduled for Saturday, May 6, 2017. Again, it was noted that the committee needs to get started earlier to get donations from businesses and individuals for the tourney. Using various means, including letter of introduction, flyers, pamphlets, and newspapers could help in soliciting donations. Again, we will get into more detail regarding these suggestions when we meet in January, as the November and December meetings have been cancelled.

Next meeting is Tuesday, January 10, 2017 at 6:30 p.m. at the Senior Center.

Respectfully Submitted,

Kristine Couture, Secretary
