Cindy Mangini absent, Lori Gates, Ed Deni John Schlatz absent, Greg Stokes absent, John

Dan Vindigni: Discussion items on the agenda, no quorum present. Monument status, stones  
are in place

John Cabbibo: Stones are in place and Mark will update on the lighting and the pavers

Mark Gahr: Lights will be delivered in a couple of weeks. Need to pick out pavers, and would  
like loam and seed instead of turf. Round off area where bushes were taken out with mulch.

Dan Vindigni: Bushes that were removed were Beautification. They could be replanted at the  
Senior Center.

Mark Gahr: electricians will start working the next day, and 5 lights will be delivered and  
mounted at ground level.

Dan Vindigni: On the dedication ceremony-do a couple committee member want to work with  
the VMC and the Town Council? Draft out the ceremony? Traditionally the Veteran's Council  
runs the parade, and unveiling should be discussed. Police have been notified to watch out for  
proper treatment of the monument.

Ted Plamondon arrives at 6:30.

Seven charge items that Council gave to the committee. Item 1, 2, 3, 4, 6, 7 have been taken  
care of under budget. Is holding off on ordering plaque with the committee names until we  
know that there is enough money left in the fund to support it. Next meeting is suggested for  
May 15<sup>th</sup> at 6:00. Recommends that committee goes over final report.

Motion to adjourn meeting is called at 6:35
