

FATHERHOOD WORKSHOPS

Calling all Dads and Family Men

Come and enjoy a lively interactive conversation. Using videos, music and photos, dads will find new tools to parent their children and set them up for success

Special Sessions include Moms

- What's so special about YOU that child really needs?
- What are your kids thinking?
- Are men and women really that different?
- What can you do to set your child up for success?

All evening sessions, FREE dinner and child care are provided.
