ENFIELD, CONN – July 1, 2016: Peter Bryanton, Director of Community Development, is pleased to announce the return of Enfield's Community and Farmers Market. The entire Town of Enfield Development Services team is thrilled with the success of last year's market and are excited about the enthusiasm and driving momentum going into this coming market season. Development Services is excited about the upcoming schedule of events as well as the return of the heart of our market, the farmers, crafters, and community vendors. Rick Ouellette of Shaker Farm Market and Vinnie's Little Acre are returning along with other farmers, crafters like candle, lip balm, and soap makers, jewelry artisans, natural dogs and cat goodies, rustic artwork, handmade linen and cotton dresses and more.

"The goal of the Enfield Community & Farmers Market is to provide a variety of handcrafted and locally grown, harvested, and produced products that are made in the state of Connecticut. We want to connect area residents to enjoy local crafts, foodie specialties and produce to foster community while creating healthier

eating habits to enhance the quality of life in Enfield and throughout area communities who visit us. Come each week to find different vendors,” states Bryanton.

The Town of Enfield, Development Services will host Enfield’s 3rd Community and Farmers Market each Wednesday from 4-8 p.m. The opening day is scheduled for Wednesday, July 13 and will close the market season on Wednesday, October 12, 2016, which will also be Enfield’s 3rd Fall-O-Ween Festival event. Each week vendors set up in Downtown Thompsonville next to Freshwater Pond, right down the road from the Town Hall. There is plenty of free and ample parking available in the area.

“Continued thanks goes to Bruce Yelle from Falcetti Music so we may enjoy weekly live performances and look forward to the return of Spiral Logic, as well as other local bands. Also, visitors will once again be able to enjoy the special appearance of popular local celebrity, ‘Faith the Goat,’ whose presence has been confirmed by Shaker Farm Market’s very own Farmer Rick,” states Bryanton. “We also want to thank the Enfield Police explorers who help out each week,” states Bryanton.

Many of the farmers accepted SNAP food vouchers last year, like Shaker Farm Market, Vinnie’s Little Acre, and Sun Valley Farm.

There will also be a weekly chalk art walk and coloring activities for the kids.

“We continue to look to grow our community and farmers market and welcome vendors to come and join us. There is still no fee associated with setting up each week. The community and farmers market provides a wonderful sense of community and camaraderie for market goers and vendors,” states Bryanton.
