Getting Ready for the First Day of School!

AUGUST 2016

IN THIS ISSUE

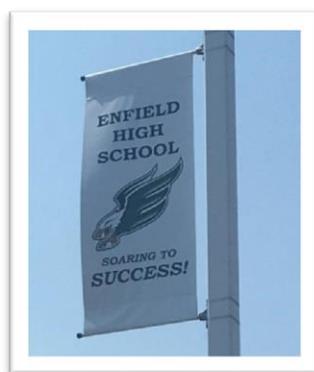

Getting Ready for the First Day of School!

We are pleased to announce that the renovations in the A-wing are complete, the Certificate of Occupancy has been issued, and the building will be ready for all students, staff and administration to return on September 6th.

All incoming students and parents of the New Enfield High School are invited to tour the new high school on the following dates:

- Monday, August 29th from 5:00 – 7:00 pm
- Tuesday, August 30th from 5:00 – 7:00 pm

These times are not by appointment; rather, students and parents can come at any time during the touring hours. We will have student leaders who will take groups of parents and students on their tour. All tours start in the main office lobby.

As a reminder, all incoming 9th grade students and parents will have their own time to see the school during the 9th grade orientation on September 1st, but are still more than welcome to attend these tours.

Pictured above: All the existing engraved bricks from Fermi and Enfield High were saved and installed together around the flag pole at the New Enfield High School.

Music Addition/Auditorium Renovation

The construction of the music addition which will house the band and music programs continues. The new Band wing and the auditorium renovations are currently scheduled to be completed January 2017.
