Frank Alaimo, Fire Chief
Thomsonville/Fire District 2
11 Pearl Street
Enfield, CT 06082

Dear Chief Alaimo:

On behalf of the Board of Directors, Executive Director, and Lunch Bunch kids and parents, I extend our deepest appreciation to you and the Thomsonville firefighters who presented an interactive activity about "What to do in case of a fire."

The firefighters informed the kids and their parents about the importance of reacting properly in the event of a fire, explained techniques for personal safety, and displayed their equipment. Each firefighter related to everyone in a welcoming and sensitive manner. They are excellent representatives for your department and serve as positive role models.

We thank you and the firefighters for the presentation and applaud your efforts in order to assure the safety of the residents in Enfield.

With gratitude,

Roger C. LeBlanc, Volunteer/Liaison to Lunch Bunch 2012
Enfield Food Shelf – Board of Directors
