RE: *Thompsonville Southwest Road Reconstruction Project: Sidewalk through driveway removal*

DATE: Friday, March 22, 2019

Thompsonville Southwest Road Reconstruction Project is tentatively scheduled to begin in June 2019. The project involves the complete, full-depth reconstruction of Spring Street, Cross Street, South Street, Maple Avenue and Pease Street.

Pursuant to a September 5, 2017 Town Council adopted policy, all concrete sidewalks through the driveways will be removed and replaced with asphalt. Driveways and sidewalks constructed of materials other than asphalt or concrete, such as pavers or bricks, will be considered on a case-by-case basis for replacement.

For your convenience, please visit www.enfield-ct.gov/1112 to view the "Sidewalk Through Driveway Policy." If you have any questions or concerns regarding this project or this notice, please contact Mr. J.P. Rodriguez at 860-763-7095 or via email at jrodriguez@enfield.org. Thank you.
