Please keep checking our Facebook page for interactive ideas and information. We will be playing Juke Box Bingo this Wednesday via Zoom. I have included a quick tutorial on how to use Zoom on the Facebook page. I played Jukebox Bingo this past Friday to see what it was all about, and I had a blast!!!

It takes traditional bingo and throws it out the window. Gone is the the boring "B-6" and "O-64" bingo caller! The 75 numbers have been replaced with 75 song titles. 30 seconds of a song, are played and you figure out the name, look for it on your card and if it's there, mark it off. When you get 5 in a row, yell "BINGO!" If you don't know the song, we display the scrambled title on our screen.

Together We Can Get Through This!
