Session Two: 2:30 – 4:30 PM

Full schedule begins Monday, July 6th

Session One: 12:00 – 2:00 PM

Session Two: 2:30 – 4:30 PM

Session Three: 5:00 – 7:00 PM

Our staff have been working diligently with local and state health officials to devise a plan that will allow us to safely open our outdoor pool this summer for you, your family, and our employees. This comprehensive plan will include thorough and frequent cleanings of facilities, a plan-ahead reservation process for public swim sessions and a reduction in the capacity of our facilities to ensure enough room for safe social distancing.

Cleaning and Sanitizing Our Facilities - Our staff will be working hard to disinfect common touch services such railings, door handles, restrooms, etc. throughout the day. We ask that you do your best to cover your coughs and sneezes and dispose of soiled tissues as quickly as possible. Please be patient as you may have to wait for a restroom while our staff complete a frequent cleaning.

Public Swim Sessions – There will be multiple public swim sessions, weather permitting, each day of our swim season that begins June 29, 2020. These afternoon public swim sessions will be two hours long with a half hour between each session for our staff to do a thorough cleaning of the facility before the next session begins.

Season Passes – Due to limited capacity at the pool this year, we will not be offering summer pool passes.

Reservations – As our capacity is set for 30 patrons, which is less than 50% of our typical max number of people allowed in the pool, everyone is required to reserve your group’s space in the public swim session using our online registration system at www.enfield-ct.gov/recreation. The fee per session will be \$.50 per child (17 & under) and \$1.00 per adult (18 & over). This fee will be collected during the check in process at the pool gate. **Exact change is required.**
