

Summer Field Hockey Camp

Entering Grades 3-8

Interested in trying field hockey for the first time or expanding your skills and knowledge of the sport? Join us this August for a fun week full of field hockey! Participants will be introduced to and taught the fundamentals of field hockey in this skill-based program. Instructors will cover stick and ball handling, passing and receiving, shooting and game rules. Skills will be practiced through drills, games and controlled scrimmages. This program will be split into two groups: entering grades 3-5 and entering grades 6-8. Groups will not intermingle during the program. **Please note:** Participants must wear a face mask and bring shin guards, a mouth guard, a field hockey stick, a snack and a water bottle. Due to the prevalence of allergies, this is a nut-free program. *There will be a limited number of sticks available to borrow, if needed.* Benches and bleachers will not be available for use. Participants can bring a camping chair to sit in, if desired. This is a drop-off program. **Limit: 12 per group.**
