**Take a Virtual Tour of Boston's Freedom Trail**

Join in on July 28 at 11:00 am. Let us Connect & Explore Boston's Freedom Trail from the comfort of home with our Tour Director, Bob Read. All the sights and history without sore feet, weather worries, crowds, or traffic. Bob will be our live guide on this one-of-a-kind Zoom experience. He will be there to answer your questions, share historical stories, images, and his immense knowledge of the Freedom Trail from the Boston Common to Bunker Hill. Thanks to Zoom, you will be able to see and visit with your fellow travelers via video chat.

Boston's iconic 2.5 mile-Freedom Trail connects 16 nationally significant historic sites, each one an authentic treasure. Our virtual tour will take us past the State House, King's Chapel, Old State House, Faneuil Hall, Paul Revere's House, Old North Church, USS Constitution, and end by the Bunker Hill Monument. We will spend an hour together including time for questions and chats during the tour.

This is sure to be a lot of fun and maybe a little educational too (perfect tour for your children or grandchildren to join along with you!).

Registration in advance is required. We are excited to offer this opportunity to Connect & Explore LIVE through Zoom. Please join us complimentary OR if you would like to help offset the cost of this production there is a suggested fee of \$10 per person. Once you register, your confirmation will include instructions on how to get your Zoom meeting link. You will receive an email confirming your registration with a Zoom Link to be used to join the tour.
