PROGRAM INFORMATION & DATA:

The Judge of Probate is an elected official who serves a four year term of office. The duties, powers, and functions of the Probate Court are fixed by State Statute and include the following: the appointment of legal guardians over minors; and the appointment of conservators over incapables. The administrative operations of the Probate Court are self-sustaining except that State Statute required the municipality to provide the court with the office space and necessary supplies and equipment. This budget serves to meet that statutory mandate.
