A NOTE FROM THE DIRECTOR

The Enfield Senior Center continues to receive high participant satisfaction ratings as evidenced by our most recent survey included in this annual report. We continue to add quality programs, dedicated instructors and additional support services for older adults in the community.

I am honored to work with the hard-working staff of the Enfield Senior Center. Each team member shares the belief in customer service and is mission-driven. Our collaborators allow us to offer more services in the location where older adults have gathered. Volunteers are the heart of most organizations. We are no exception. Our compassionate and dedicated volunteers are serving meals, providing Medicare counseling, beautifying the garden, monitoring activities, greeting participants, answering the phones, crafting items for sale and helping the Senior Center in so many ways.

Town of Enfield Departments have supported the Enfield Senior Center in a variety of areas. The Enfield Town Council continues to understand the benefits that the Senior Center provides in keeping older adults active, healthy and residing in the Enfield community.

As we begin the process toward our third National Senior Center Accreditation, which only five senior centers in Connecticut have achieved, we look back with pride on our accomplishments and look forward to what possibilities are ahead.

Susan Lather
Director

*"Very happy, so much to enjoy at the Center.
Always bragging about our Center.
It is a reason to stay in Enfield."*
