

Green Manor South Road Reconstruction Project

Construction Notice Update

October 6, 2016

Beginning on Tuesday, October 11 a cement infusion road base stabilization process is scheduled for **Columbia Road, Flag Court and Troy Lane**. It should be completed on Monday, October 17, 2016, weather permitting.

The work on Columbia Road will be done in three sections on three consecutive days. Each section will be worked on for one day. The work on Flag Court and Troy Lane will take one day for each road. **On the day that the work is being done adjacent to your property, your vehicles must be parked on adjacent streets, or on the other sections of the road where work is not occurring that day, between 7:00 am and 6:00 pm.** Notice that your street, or section of street, will be impacted, will be given no later than the day before the work is to occur.

While the work is going on, one lane will be open to allow access to school buses, emergency vehicles, mail and other delivery vehicles, etc. Access to Northfield Road and Cornell Drive will be maintained. Police may set up detours via Cornell Drive, Webster Road, etc. to direct traffic around the work area.

During the time it takes the contractor do the work, the Town requests your cooperation in observing the following:

- ✓ Limit speeds to a **maximum of 5 MPH** in the work area.
- ✓ Follow the instructions of the Police Officers.
- ✓ Avoid walking your pet on the wet road base.
- ✓ Allow extra travel time.
