

PARENTS AS TEACHERS PROGRAM AT THE ALCORN FAMILY RESOURCE CENTER

Parents as Teachers (PAT) is a FREE parent education and family support program serving Enfield families throughout pregnancy until their child enters kindergarten, usually age 5. As a parent, *you* are your child's first and most important teacher.

As a PAT family, you will receive:

- ***Personal Visits***- during which your PAT-certified parent educator will share appropriate child development and parenting information, help you learn to observe your child, and address your parenting concerns.
- ***Parent Group Meetings***- which are opportunities to share information about parenting issues and child development. Parents learn and support each other, observe their children with other children and practice parenting skills.
- ***Screenings***- to assess your child's overall development
- ***Resource Network***- that links your family to other community services

What You Can Expect from PAT:

- We will inform you of what you can reasonably expect of your child at each stage of development
- We will help you have fun playing with your child and show you age appropriate activities and materials
- We will help you be your child's first and most important teacher
