OLD BUSINESS

- *Budget*

Mr. Boulette stated the benches by the pond are in decent shape, but he was thinking they could put a couple of benches near the pollinator garden. They have composite benches that last 50 years. The committee members agreed that was a good idea.

- *Clean Sweep*

Mr. Ketchale stated Clean Sweep is Saturday the 22nd. He does not have a good beat on volunteers this year because the advertisement did not have a contact number. He has been working with sports teams and girls scouts around town. Mr. Ketchale confirmed he will not be able to make it to the Brainard park event that day because he will be coaching sports after Clean Sweep. Mr. Ketchale questioned when he can pick up the garbage bags.

Mr. Boulette confirmed two hundred bags would be enough. He will get those picked up tomorrow and leave with Lois or Becky. Mr. Boulette noted 360 Federal is doing the shredding event, heart Springs foundation will be doing textiles, Eversource will be handing out saplings and electronic recycling.

Mr. Ketchale confirmed the bags will be brought to town hall near the dumpsters.

Ms. Hughes noted Ms. Kinelski called the high school for service hours for Clean Sweep and has not received a response back. She will check in next week when they are back from vacation.

- *Adopt a Spot*

Ms. Hughes noted she spoke with Sign Factory, and they have not gotten back to her on the signage for the mental health signs around the pond. She will share pricing with the Committee once they get back to her.
