# A Guide to Recycling

Connecticut now has a universal list of what belongs in your recycling bin and what doesn't. All items should be **emptied, rinsed, clean and open**. Do **NOT** shred, box, bag or bundle. To learn more about recycling, go to [www.RecycleCT.com](http://www.RecycleCT.com) or [www.enfield-ct.gov/402/recycling-information](http://www.enfield-ct.gov/402/recycling-information) to type in an item to see if it is recyclable or not.

## Why Recycle?

When done right, recycling...

- Costs less than landfilling or incineration, thereby saving the Town money.
- Conserves valuable resources and saves energy.
- Annual benefit to Connecticut's economy is estimated to be over \$700 Million.
- Reducing the garbage in our landfills reduces air and water pollution.
- Increasing residential and commercial collection within the state will directly increase local jobs.
- Preventing 1 ton of paper waste will save 15 mature trees.
- Decreases greenhouse gases and pollutants that impact our climate and health.
